## EXPERIENCE

### ASSISTANT TECHNICAL DESIGNER - BOTTOMS

Talbots, New York, NY 03/2019 - PRESENT

- Assist the bottoms department in missy, petite, and plus with spec'ing, analyzing workmanship, prepping samples for fit sessions, and manage tracking/life-cycles.
- Ownership of the sleepwear pant division from development to production.
- Ownership of all TOPs: analyze and approve style details, construction, packaging, and ensure all measurements are to spec.
- Manage measuring/grading manual revision project and illustrate required sketches for all POMs.

### TECHNICAL & CREATIVE DESIGN ASSOCIATE

ALYCE Paris, Morton Grove, IL 09/2017 - 02/2019

- Womens evening wear - Restructured tech pack template to improve clarity and efficiency.
- Led fittings on live models & mannequins for 350 styles/season. Evaluated construction & quality with making necessary pattern adjustments to ensure fit.
- Developed trend forecasts and collaborative design ideas along with communicating daily with the design team and overseas factories to ensure fabric quality and correct construction pattern/specs are used for each design.
- Led creative team with restructuring social media platforms, while creating content correlated to the core product. Proofing catalog images and info.

### TECHNICAL DESIGN & PRODUCTION ASSISTANT

ALYCE Paris, Morton Grove, IL & New York, NY 05/2016 - 11/2016

- While working remotely, developed Juniors Sportswear line and created CAD illustrations. Prepared tech packs using Illustrator and Excel.
- Conducted daily communication with overseas print and fabric vendors to ensure clarity and progression of all design details.
- Represented ALYCE Paris at Chicago Bridal Market (2012 - 2015) & NY Bridal Market (2016)
- Promoted from customer service rep/design liaison (12/2012 - 01/2015)

### TECHNICAL DESIGN INTERN

Theory LLC, New York, NY 04/2015 - 09/2015

- Assisted the Outlet Technical Design team in creating tech packs.
- Attending fittings while analyzing and evaluating garment fit specifications.
- Spec'd garments and assisted in writing fit comments, addressing workmanship for overseas factories.
